Bora Bora *Fruit infusion with Amaretto (5.6% vol)*

For those with a sweet tooth - look no further. With a sweet fruity blend including hibiscus blossoms, apple, papaya and berries combined with the sourness of Amaretto, the party starts right here.

The not-so-Hot Toddy *Lemon Sherbet and Ginger with Whisky (4.2% vol)*

An amazingly fresh fruit infusion of pineapple, sour apple and lemon create a medley of tart, sweet and sour notes. Combined with a dash of honey and whiskey it creates the perfect not-so Hot Toddy.

Royaltea *Earl Grey and Lavender with Gin (4.2% vol)*

Our Earl Grey is blended with lavender which perfectly compliments the citrus flavours in the tea. The addition of gin adds a kick to this classic favourite.

Mocha Rocha *Pure Chai with Coffee and Chocolate Liqueur (3% vol)*

A rich spiced chai tea made even more luxurious with the addition of a sweet coffee and chocolate liqueur creating the perfect drink for any mocha lovers.

After Eight *Peppermint and Liquorice with Rum (4.2% vol)*

The first ever tea-infused cocktail we created in the kitchen (and neither of us like liquorice normally!). The addition of liquorice provides a sweet twist to the classic peppermint tea. The white rum then perfectly complements the freshness of the mint creating the perfect blend for you mojito lovers.
